Just a friendly reminder that learning conversations are being held next Wednesday and Thursday (7th and 8th of June) from 4pm-6:30pm.

Reports were sent out on Tuesday & are available via the web portal on the school website, and emailed to whānau for whom we have email addresses. **However, you do not need to wait for a report to arrive if you want to see your child's teacher. Go to www.schoolinterviews.co.nz, enter the code – b5fch – and follow the instructions.**

This term's reports will only have a comment from each student's kaiārahi. There are NO comments on the reports from your child's subject teachers. Grades have been entered for assessments that have been completed in the various subjects, along with an indication of attitudes to learning and a brief statement either requesting to meet with parents/caregivers or indicating that the teacher has no concerns, and organising a meeting time is optional.

Learning conversations are an incredibly important part of teaching and learning at Ngā Taiātea. It gives parents/caregivers and teachers an opportunity to acknowledge and discuss the learning journeys of students at our kura.

We look forward to meeting with you.

Hei tērā wiki!
